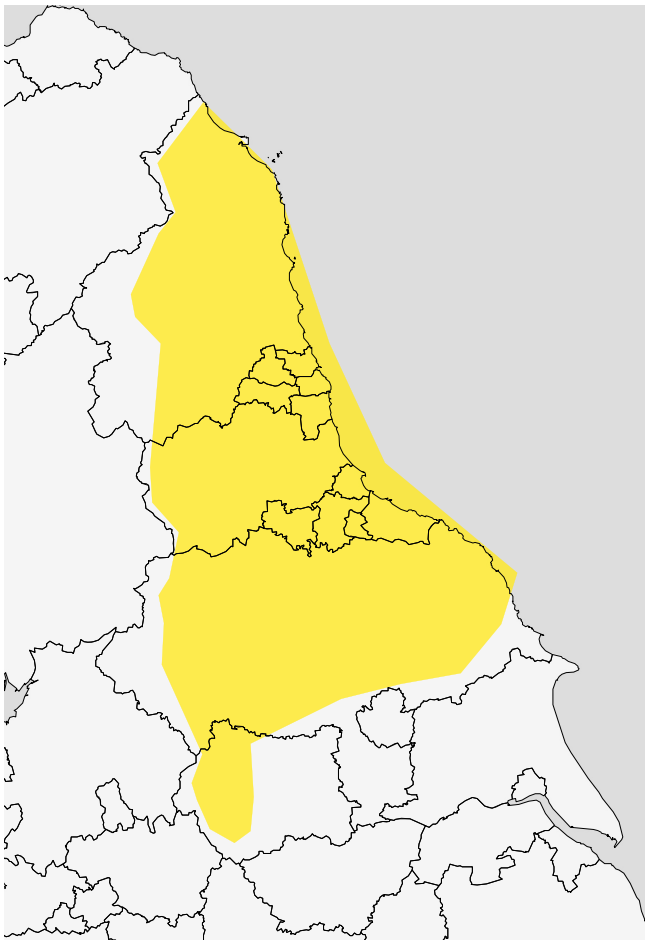
Yellow warning
Rain

Between
18:00 Tue 2 Feb 2021 and
12:00 Sat 6 Feb 2021



Heavy rain may lead to some flooding and travel disruption.

What to expect

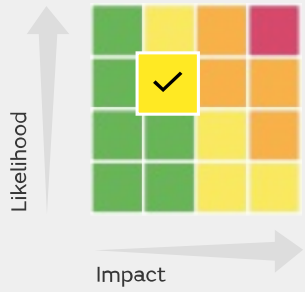
- Flooding of a few homes and businesses is likely
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer
- Some interruption to power supplies and other services likely

Further details

Periods of heavy rain are expected across northeast England during Wednesday, Thursday, Friday and into Saturday.

Some large rainfall amounts are expected with 20-40 mm falling widely, and 60-80 mm in a few places, mainly on east-facing slopes. Some drier interludes are also expected at times.

Following recent wet conditions, this heavy rain may bring some flooding, particularly to lowland areas, whilst higher ground is more likely to see snow.



Medium likelihood of low impacts
